Conclusion

DCYSA must conform to the birth year chart. We have postponed this for two years, but with the new NCYSA system it is impossible to register players correctly. This update will take place Fall 2021. Registration will change from school age (August 1 to July 31) to birth year (Jan 1 to Dec 31). DCYSA is working with local high school coaches for *Middle School Soccer for 7th and 8th graders to in line with middle school sports. As of right now the older U14 players will not have a division in DCYSA because they now become U15 players. U15 requires a larger field size for games and DCYSA isn't able to accommodate this requirement within our schedule at this time. We will offer U15 immediately at the classic level.

*More information to come about Middle School Soccer.

DCYSA will start with U11 to build and add each year:

Fall 2021-U11 2011 (boys/girls), U15 (boys/girls)

(U11-2011 or less birth year, U15 2007 or less birth year)

Fall 2022-U11 (boys/girls), U12 (boys/girls), U16 (boys/girls)

Fall 2023- U11 (boys/girls), U12 (boys/girls), U13 (boys/girls), U17 (boys/girls)

Fall 2024- U11 (boys/girls), U12 (boys/girls), U13 (boys/girls), U14 (boys/girls), U18 (boys/girls)

Purposed: Middle School Soccer will be ran by the local HS coaches. DCYSA will register the players, provide insurance for players, coaches, and fields. The price be (\$10 plus jersey).

Division

Divisions – Classic Divisions for Fall and Spring

(Fall Aug-Dec)

- Fall Boys & Girls 11U – maximum roster size 14-15
- Fall Girls 15U – maximum roster size 16-18 (depending on turnout and skill level)

(Spring Jan-May)

- Spring Boys & Girls 11U – maximum roster size 14-15
- Spring Boys 15U – maximum roster size 16-18 (depending on turnout and skill level)

- Will we combine boys and girls if there are not enough for an all-boys or all-girls team? At this time we have stated for the U15 we will be gender specific. U11 we will have to see the number of players who can qualify to play at this level and during registration for the females inquiring if such a circumstance arises would be feasible that the player be on an “all boys” team (AKA co-ed).
- At what point would we move players up in division to create a team if there are not enough older players for their division? This will be allowed for U11 MAYBE depending on the turnout for tryouts but U15 will be gender specific.
(Classic allows players to play up in division but does not allow players to play down in division)

Cost 11U:

- 11U Classic Fees
 - Registration - \$30 per player
 - Insurance - \$90 per team
 - Team State Report Fee - \$35 per team
